

Policeman

I'd like to be a policeman, and maybe even the chief.
I'd call out, Police! Stop! As I chased a thief.
I always give out tickets, to those who choose to speed.

Helmets and motorbikes; trained dogs for searches too.
To learn to tell who is lying, and who is telling the truth.
But I wouldn't be a policeman if....
I was scared of people,
Would you?
